

February 15, 2018

Greetings BCA Community!

On Tuesday, March 13th, the Middle School Basketball Team will hit the court at the Wells Fargo Center for their annual All-Star Game with the PACSAC (Philadelphia Association of Christian Schools Athletic Conference) League. This is a fun culminating event for the basketball season that the team always looks forward to. The event takes place during the day, followed by an awards lunch at a local restaurant for all of the basketball teams in the league.

In order for us to have access to the Wells Fargo court during the day for the students to play, the PACSAC league has to commit to selling a minimum amount of tickets for the Sixers game that night. This serves as a great opportunity for our school to come together for a Family Fun Night! Tickets for the game are \$20, and if you purchase a ticket, you can also come to the All-Star game during the day if you choose. Please invite your family and friends to purchase tickets! We need a deposit of \$10 for all tickets by February 27th, and the final payment will be due by March 7th. Once you commit to purchasing tickets with your deposit on the 27th, they will be ordered and will be non-refundable. Please contact me directly with the number of tickets you would like. Deposits and final payments can be made at the front desk. Thank you so much for your support!

In His Service,
Mrs. Whitaker
